REMARKS

Response to Restriction Requirement

The Examiner has required, under 35 USC §121, election of a single disclosed invention for prosecution on the merits. Pursuant to this requirement, Applicants hereby elect to prosecute the invention designated in the Office Action as Invention II. Claims are drawn to this invention. Claims 1-9 have been canceled by this amendment as being drawn to a non-elected invention. This election is made without traverse.

Conclusion

In light of the above remarks, it is requested that the Examiner consider the application. Early and favorable action in the case is respectfully requested.

This response represents an earnest effort to place the application in proper form and to distinguish the invention as now claimed from the applied references. In view of the foregoing, reconsideration of this application, entry of the amendments presented herein, and allowance of Claims 11-20 are respectfully requested.

Respectfully submitted,

THE PROCTER & GAMBLE COMPANY
